

Seasoned Pretzels

By Ethel Mae Hallberg, New Hope, MN

2 bags small pretzel twists (13-15 oz)

2 Ziploc bags (gallon size)

Combine:

1/2 tsp onion salt

1/2 tsp garlic powder

1 tsp dill weed

1 pkg Hidden Valley Ranch Dressing-Dry powder

1 bottle Orville Redenbacher Popcorn Oil

Combine above ingredients and mix very well. Put one bag of pretzels in each Ziploc bag. Divide mixture between the two bags. Seal bags and turn them to coat all pretzels. Turn frequently so all the mixture has been absorbed by the pretzels. This will take four to eight hours. Enjoy!
