

Welcome to Co-op Connections.

The free membership program that gives you incredible discounts on everyday expenses.

Touchstone Energy has launched a new website and new mobile application for the Co-op Connection member benefit program, providing you the same great savings you are used to but adding additional benefits for you to take advantage of.

No cost. No Fees. Just visit connections.coop and sign up to start using your co-op connections benefits. By signing up, you can print off your membership card, you can browse local savings, and check out the national partners. To download the app, search connections.coop from your preferred app store, allowing you to utilize savings at your finger tips. Sign up and start saving today.

Prefer not to sign up online, that is okay. You can use your Co-op Connections discount card or key fob at participating businesses, just look for the window cling or check out the list of [discounts](#). If you need a new card reach out to [Crow Wing Power](#) to get a new card mailed to you.
