## 2023 Participating Businesses

# Shop Locally, Save Locally

When you support a  
*Small Business*  
You're supporting a dream

Small businesses generate \$68 of local economic return for every \$100 spent with them.

Over \$9.3 billion would be directly returned to our economy if every US family spent just \$10 a month on local business.

Small businesses donate 250% more than large businesses to community causes.
